November to December 22 - We will have a supply drive for CATCH. Think about providing a supply each Sunday of advent similar to how you open a new door each day on an advent calendar - what surprise and blessing you might find there!

Weekly Prayer Request from Mennonite Mission Network

When Ecuador's president, Lenín Moreno, ended fuel subsidies last month, unrest erupted. Indigenous and other marginalized people seized the opportunity to protest inequalities in government policies. Mennonite Mission Network requests prayer for negotiations as the government and indigenous people work to create a just policy that will lead to peace.

Confession

P: You say to me, “Take courage. It is I. Don’t be afraid.”

L: And yet, where are you? I want to see you but my faith, well, my faith is small today. Other things are much larger and overwhelming. The sky is dark, the sea is huge and the water is deep.

P: You say to me, “Take courage. It is I. Don’t be afraid.”

L: Help me to call out to you.
To try and see you.

P: You say to me, “Come!”

L: I want to step out from where I am, but here is familiar and to get to you seems more frightening.

P: You say to me, “Come!”

L: Enable me, dear Jesus, not to notice the wind and it’s disruptive voice of doubt that stirs the waters. Fill me with faith and courage to move out and be with you.
